

SRBD Coding Contest 2022

Greetings from Samsung R&D Institute Bangladesh (SRBD)!!!

SRBD started its operation in June, 2010 and it is the first R&D hub of a multinational company in Bangladesh. Major research areas of SRBD include mobile app development and commercialization, mobile platform verification and testing, and local business support.

After the COVID-19 pandemic, again SRBD is going to organize “**SRBD Coding Contest 2022**” this year.

Monetary Prizes:

There will be total ten prizes for the coding contest winners.

- 1st Prize BDT 50K (One Award)
- 2nd Prize BDT 30K (One Award)
- 3rd prize BDT 20K (One Award)
- 4th prize BDT 5K (Seven Awards)

Total Prize Money is BDT 135,000/- (BDT One Lac, Thirty five thousand only).

The final round contestants will be provided with attractive souvenir and participation certificates. Moreover, qualified code contest winners will receive career opportunity at SRBD.

Contest Structure:

Individually contestants will be required to solve problems. They will be required to solve algorithmic problems, using C/C++ / Java within the time frame of the contest.
